STOCK ADJUSTMENTS for CREDIT POLICY
HVAC:Returns will incur a 25% restocking fee unless accompanied by an offsetting order of equal or greater value of new or current product. All returned goods must have been purchased in the past 18 months and proof of purchase is required.
All stock adjustment returns will be adjusted to remove any discounts to the original sale.
Items that are to be returned must be items listed in the most recent published price sheet (no obsolete or discontinued items), and must comply with the RETURN POLICY requirements, and must be in new and saleable condition.
The Distributor must be in good credit standing with ATP. The Distributor pays return freight charges including brokerage and duties where applicable; Collect shipments will not be accepted.
Upon review of the list of products to be returned, an RMA number will be issued for those items ATP deemed acceptable. Only items approved on the RMA are returnable. Returns in excess of \$500.00 may require the authorization of ATP's Regional or National Sales Manager.
